

Frequently Asked Questions (FAQs)

General Questions

1. What is Kid Startupper Academy?

Kid Startupper Academy is an innovative platform designed to empower educators and freelancers to teach entrepreneurship to students aged 10–15. It provides access to comprehensive teaching materials, lesson plans, and tools to foster entrepreneurial skills.

2. Who can use Kid Startupper Academy?

The Academy is designed for both school teachers and freelance educators. Whether you teach in a classroom or offer private lessons, the platform provides resources tailored to your needs.

3. What topics does the Academy cover?

The Academy focuses on entrepreneurship, innovation, creativity, teamwork, financial literacy, and problem-solving skills.

4. Is the Academy available in multiple languages?

Currently, the Academy is available in English and [list other supported languages if applicable]. Additional languages may be added in the future.

For School Teachers

5. How can I use Kid Startupper Academy in my classroom?

You can integrate the lesson plans, exercises, and quizzes into your regular classes or extracurricular activities like entrepreneurship clubs. The materials are designed to fit within standard curricula.

6. Do I need training to use the platform?

Yes, the Academy offers a 1–2 hour training session via video call to ensure you are fully prepared to use the materials effectively.

7. Are the materials customizable?

Yes, you can adapt the lesson plans and exercises to suit the needs of your students or your school's requirements.

8. Is there a cost for school teachers to use the Academy?

The materials are free for school teachers to use in their classrooms. Any additional premium features will be clearly indicated.

For Freelance Teachers

9. How can I start teaching as a Freelance Teacher?

Simply register as a freelance educator on the platform, attend the introductory training, and begin creating and promoting your own lessons. You can set your own prices and schedule.

10. Can I teach online through the Academy?

Yes, you can conduct lessons online using platforms like Google Meet, Webex, Microsoft Teams, or Skype.

11. How do I get paid as a freelance teacher?

Students first pay a platform fee directly to Kid Startupper to access the educational resources and support. After that, students (their parents) pay you the agreed-upon amount for your lessons, either in person or online via methods like internet banking or other agreed-upon payment systems. The platform does not manage financial transactions between you and the students for your teaching fees.

12. Can I manage multiple students at once?

Yes, the platform allows you to organize students into groups and track their progress through lessons and activities.

Technical Questions

13. What devices can I use to access the Academy?

The platform is accessible on desktops and laptops with an internet connection.

14. What do I do if I forget my password?

Click on the “Forgot Password” link on the login page, and follow the instructions to reset your password.

15. Who do I contact for technical support?

If you encounter any issues, you can reach out to our support team at [support](#)

Additional Questions

16. Can I suggest improvements to the platform?

Yes, we value your feedback! Use the feedback form available on the platform to share your suggestions or ideas.

17. Are there opportunities for professional development?

Yes, the Academy occasionally offers webinars, certifications, and live Q&A sessions for educators to improve their teaching skills.

18. How do I stay updated on new features and materials?

Subscribe to our newsletter or check the “News and Updates” section on the platform for the latest information.
